Revision / correction

Depends on the quality and difficulty of the initial text provided by the client; it is difficult to estimate the price without it.

However, as an indicative price, proof-reading/correction of a text already translated by a non-translator corresponds to 40% the total of its translation by Trad Online and for text translated by a professional translator it corresponds to 20% of the total of its translation by Trad Online.

Special delivery of translations

For orders less than 150 Euros TTC only (free beyond):

Price for delivering in CD-ROM format
